

Please contact the [New Jersey Department of Environmental Protection](#) with any questions about fees and services required to be provided, as this State Department has regulatory oversight. They may be reached at 1-609-984-2080.

Please remember that solid waste collection in Teaneck is backyard only!

"The Township of Teaneck does not provide solid waste collection to private properties (residential, commercial or industrial). Each property owner must make arrangements directly with one of the contractors listed below"
